

On the General Election

A Poem by Mr. Hongzhi Li (Translated from Chinese)

November 8, 2020, Updated November 9, 2020

On the General Election

In this majestic universe, the communist devil is making trouble
Fraud and corruption are harming a great nation
All the machinations make people only more despondent
When will justice be upheld and our conscience restored?

Mr. Hongzhi Li is the founder of the spiritual practice Falun Gong.
