

On the General Election

A Poem by Mr. Hongzhi Li (Translated from Chinese)

November 8, 2020, Updated November 9, 2020

In this majestic universe,
the communist devil is making trouble

Fraud and corruption are harming a great nation

All the machinations make people only more
despondent

When will justice be upheld and our conscience
restored?

*Mr. Hongzhi Li is the founder of the spiritual
practice Falun Gong.*
